

Porto. CARD

OFFICIAL CITY PASS

Brief Introduction

The Porto. CARD is the best way to explore the city and the region, allowing:

- Free or discount access in more than 170 points of interest, including Museums and Monuments, concert halls, the Port Wine Cellars, Cruises on the Douro River, tourist tours, restaurants, stores, among many others;
- Preferential access to exclusive opportunities like, for example, happy hours.

Objective ➡ promote the city and Porto. brand as a destination of excellence.

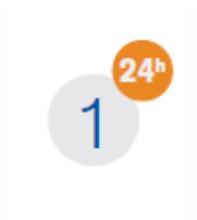

How does it work?

How does the client activate the Porto.CARD?

The discount and free access card will be active after **registration of the date and the hour that you** pretend to start using the card. The client only needs to present it to the entities associated with the card to benefit from all the advantages.

The Andante Tours transport card is activated as soon as the client validates it in the existing machines in the transport stops or on board the vehicles.

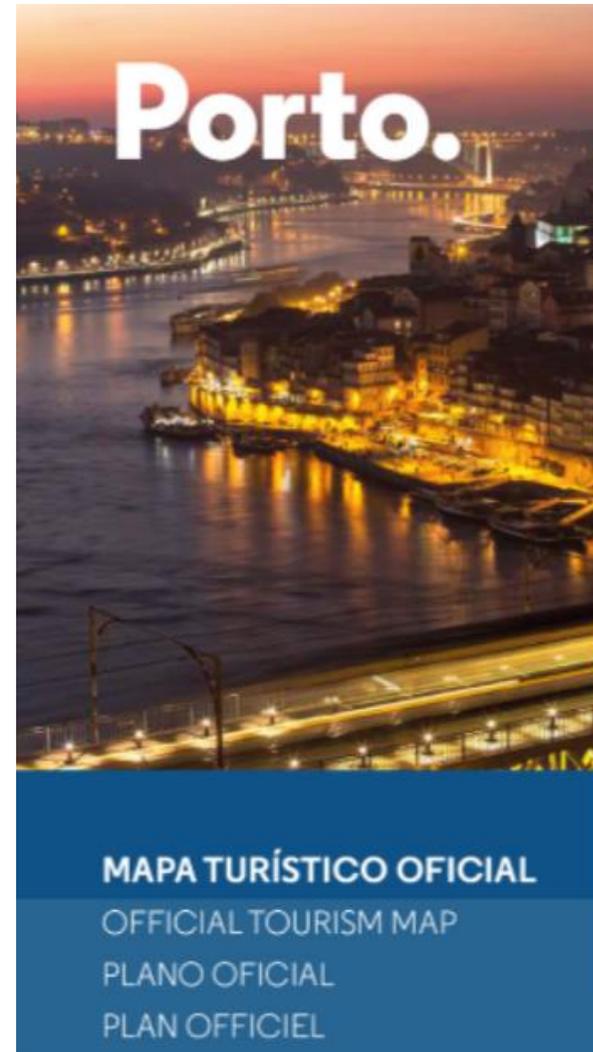

The card can be activated at **different moments** - the discount card can be used from the moment you write down the date and hour, and the transport tickets from it's first validation in a existent machine for that purpose.

Support Materials

Every Porto.Card sale is accompanied by the following materials given to the clients:

- Porto's Tourism map, which helps the client locate the places where he can take advantage of the discounts, as well as directs him to the Metro lines
- Porto.Card's Discount Guide

General Conditions of Use of the Porto.CARD

It's personal and non-transferable

It's valid once it has been filled with the starting date of use.

It isn't rechargeable

Doesn't include the Tram

Gives access to the free entrances and discounts only one time, being of unlimited use on transports during the validity period of the card

To take advantage of the discount, the card must be presented before making the payment

Loss, theft or non-use of the card does not give rise to reimbursement or replacement
